

WE ARE ENVIRONMENTAL OPTIMISTS

AS ENVIRONMENTAL OPTIMISTS, WE BELIEVE IN THE POWER AND SPIRIT OF HUMAN IMAGINATION TO SOLVE OUR PROBLEMS. IT'S IMPERATIVE THAT ALL OF US – INDIVIDUALS AND CORPORATIONS – DO THE RIGHT THING ENVIRONMENTALLY. WE WILL CONTINUE TO USE INNOVATION AND TECHNOLOGY TO FIND BETTER SOLUTIONS.

Cambridge®

A COMPANY OF FIRSTS

Achieved the prestigious NSF-140-2007 Platinum Certification, A Sustainable Carpet Assessment Standard through NSF International and ANSI approved for all Nexterra tile products. A first in the commercial carpet industry for all products in one category.

100% of our products utilize post-consumer recycled content.

Use renewable energy in all commercial facilities to meet 100% of our needs.

Offer 85% post-consumer content in a high-performance commercial carpet tile backing, our ground-breaking Nexterra backing.

Include an odor neutralizer, Puralex®, that helps lower VOCs and minimize indoor air odors.
